UNDERSTANDING SELL SQUARE

What is Sell Square?

Sell Square is a cloud-based inventory and business management platform that helps small and medium-sized businesses:

- Track inventory in real-time across multiple locations
- Manage sales with a built-in POS system
- Monitor staff activities and accountability
- Know exact profit margins on every sale
- Track unique products like gadgets with IMEI/serial numbers
- Manage customers and debtor payments

Who Needs Sell Square?

Primary Target Customers:

- Business owners using notebooks or Excel for inventory
- Gadget/phone sellers (need IMEI tracking)
- Fashion retailers (need variant management)
- General retail stores with staff
- Multi-location businesses
- Anyone experiencing stock discrepancies

Key Pain Points We Solve:

- Manual inventory tracking errors
- Staff theft and accountability issues
- Not knowing real profit margins
- Stock count mismatches
- Lost sales records
- Unable to manage multiple locations

Pricing Plans

Free Plan: Basic features, limited products **Basic Plan**: 5,000 Naira/month or 50,000 Naira/year **Standard Plan**: 10,000 Naira/month or 100,000 Naira/year **Professional Plan**: 15,000 Naira/month or 150,000 Naira/year (includes IMEI tracking)

HOW TO REACH CUSTOMERS
