SELL SQUARE - Marketing Strategy Guide for Interns

Welcome to the Sell Square Marketing Team! This document provides a comprehensive marketing strategy for promoting Sell Square - a cloud-based inventory and business management platform designed for small and medium-sized businesses.

EXECUTIVE SUMMARY

Product: Sell Square (www.sellsquarehub.com) **Target Audience:** Small and medium-sized business owners who:

- Manage inventory manually (notebooks, spreadsheets, memory)
- Experience frequent stock discrepancies and errors
- Have staff to manage but lack proper oversight
- Sell products with variations (sizes, colors, etc.)
- Sell unique products requiring serial number/IMEI tracking (gadget sellers)
- Feel stressed and overwhelmed by inventory management
- Don't realize they need modern inventory software

  Core Value Proposition: Transform chaotic manual inventory management into an organized, automated, stress-free business operation - giving business owners complete control and visibility over their inventory, sales, and staff.

UNDERSTANDING OUR TARGET CUSTOMER

Primary Pain Points

Manual Management Nightmares:

- Writing sales in notebooks that get lost or damaged
- Using Excel sheets that become outdated

- Relying on memory for stock levels
- Can't remember what was sold, when, or to whom
- Stock counts never match actual inventory
- Staff stealing or misreporting without detection

Financial Stress:

- Don't know actual profit margins
- Can't track which products make money
- Money missing but can't identify where
- No idea of total inventory value
- Debtor payments lost in the shuffle

Operational Chaos:

- Multiple warehouses/stores but no central view
- Staff making sales without proper recording
- Can't track who sold what and when
- Returns and refunds not properly documented
- No way to know best-selling products

Growth Barriers:

- Too afraid to hire more staff (no accountability)
- Can't expand to new locations (can't manage current one)
- Losing customers due to stockouts
- Overstocking items that don't sell

Specific Niches

1. Gadget/Electronics Sellers (PREMIUM FEATURE)

- Need to track IMEI numbers, serial numbers
- Must verify authenticity and prevent duplicate sales
- Warranty tracking requirements
- High-value items requiring detailed records

2. Fashion/Clothing Retailers

- Multiple product variants (sizes, colors)
- Seasonal inventory challenges
- Quick stock turnover needs

3. Pharmaceutical/Agrochemical Stores

- Batch number tracking
- Expiry date management
- Regulatory compliance needs

4. General Retail/Wholesale

- High transaction volumes
- Multiple suppliers
- Diverse product categories

MARKETING CHANNELS & STRATEGIES

1. Social Media Marketing (Primary Focus)

A. Facebook & Instagram

Content Types:

- **Problem-Agitation Posts:** "Still writing sales in a notebook? Here's what you're losing..."
- **Before/After Stories:** Real business transformations
- **Feature Demonstrations:** Short video clips showing specific features
- **Customer Testimonials:** Video/text reviews from happy users
- **Pain Point Memes:** Relatable business struggles (humorous approach)
- **Tips & Tricks:** "5 Signs You Need Inventory Management Software"

Posting Schedule:

- 2-3 posts per day
- Best times: 7-9 AM, 12-2 PM, 6-8 PM (when business owners are active)
- Stories: 3-5 per day

Engagement Strategy:

- Join local business groups (minimum 20 groups per intern)
- Comment on business-related posts
- Share helpful content without being salesy
- Direct message potential leads (see script below)

B. WhatsApp Business

Strategy:

- Create status updates showcasing features
- Build broadcast lists by business category
- Send personalized messages to prospects
- Share quick demo videos
- Follow up with interested leads

Message Templates: (See Scripts Section)

C. TikTok/Reels

Content Ideas:

- "POV: You're a business owner discovering Sell Square"
- Quick feature demos (15-30 seconds)
- Day in the life of businesses using Sell Square
- Problem-solution format videos
- Trend-jacking with business context

D. LinkedIn (For Professional Approach)

- Share business management tips
- Post about inventory management best practices
- Connect with business owners and managers
- Share case studies and success stories

2. Direct Outreach

A. Physical Visits (Field Marketing)

Target Locations:

- Shopping plazas and markets
- Computer Village (Lagos) and similar tech markets
- Fashion districts
- Pharmaceutical clusters
- Small shopping malls

Approach:

- Dress professionally

- Carry tablet/phone for instant demos
- Have printed flyers and business cards
- Book appointment for detailed demo
- Collect contact information

Pitch Duration: 2-3 minutes maximum **Demo Duration:** 5-7 minutes **Target:** 15-20 businesses per day per intern

B. Phone Calls

- Follow up on leads from social media
- Cold calling from business directories
- Referral follow-ups
- Free trial expiry calls

3. Content Marketing

A. Blog Posts (Request from content team)

- "How to Track IMEI Numbers for Your Gadget Store"
- "5 Signs Your Business Needs Inventory Management Software"
- "Stop Losing Money: The Real Cost of Manual Inventory"
- "How to Prevent Staff Theft in Your Retail Business"

B. Video Content

- Feature tutorials
- Customer success stories
- Industry-specific solutions
- Quick tips series

4. Partnership Marketing

Potential Partners:

- Business associations (NACCIMA, etc.)
- Co-working spaces
- Business consultants
- Accounting firms
- Point of Sale hardware vendors

Strategy:

- Offer commission on referrals
- Co-host webinars/workshops
- Cross-promotion opportunities

5. Event Marketing

- Trade fairs and exhibitions
- Business networking events
- Industry conferences
- SME workshops

MARKETING SCRIPTS & TEMPLATES

WhatsApp Direct Message Script

`` Hi [Name], I noticed your [business type] business, and I'm reaching out because many business owners like you struggle with tracking inventory manually. If you're still using notebooks or Excel to manage stock, you're probably experiencing:

- Stock count mismatches
- Not knowing what's really profitable
- Staff accountability issues

Sell Square helps you:

- Track every item in real-time

See exactly who sold what and when Know your profits instantly Manage your business from your phone Can I show you a quick 5-minute demo? It's completely free to try. Best regards, [Your Name] Sell Square Marketing Team `

Facebook/Instagram DM Script

` Hi [Name]! Saw your business page and wanted to share something that could help. Are you currently tracking your inventory and sales manually? Most business owners we work with were stressed about:

- Lost sales records
- Stock discrepancies

- Not knowing actual profits
- Staff accountability

Sell Square solved all this for them. Would you like to see how? We offer a free demo and free trial. Let me know if you're interested! `

Phone Call Script

` Good morning/afternoon, may I speak with [Name/Owner]? [Introduction] My name is [Your Name] from Sell Square. We help business owners like you manage inventory and sales more efficiently. [Quick Qualification] Quick question - are you currently using any software to track your inventory, or is it mostly manual? [If Manual] I understand. Most of our clients were in the same position. They were struggling with stock mismatches, staff accountability, and not knowing their real profits. [Transition] I'd love to show you how Sell Square can help you track everything automatically - from your phone or computer. It takes about 5-7 minutes for a demo. Would tomorrow at [time] or [time] work for you? [Handle Objections - See section below] `

Physical Visit Pitch

` Good morning/afternoon! My name is [Name], and I'm with Sell Square. [Quick observation] I can see you have [number] of staff and quite a lot of products. How are you currently tracking your inventory and sales? [Listen to response] The reason I ask is because we help business owners like you move from manual tracking to an automated system that:

- Tracks every sale automatically
- Shows you exactly what's in stock
- Tells you which products make the most profit
- Monitors what your staff is doing

[Pull out phone/tablet] Can I show you really quick? It takes just 3 minutes. [After demo] You can try it free for 30 days. Should I help you set it up, or would you prefer I come back? `

KEY MESSAGING POINTS

Primary Messages

For Manual Inventory Users: "Stop losing money to guesswork. Know exactly what

you have, what you've sold, and what you've made - in real-time." **For Gadget Sellers:** "Track every IMEI and serial number. Never sell the same phone twice or lose track of warranties." **For Multi-Location Businesses:** "Manage all your stores from one dashboard. See what's happening everywhere, from anywhere." **For Trust/Staff Issues:** "Know exactly who sold what, when, and for how much. Complete transparency and accountability."

Unique Selling Points (Always Emphasize)

- **Cloud-Based:** Access from anywhere, any device
- **IMEI/Serial Tracking:** Perfect for gadget sellers (Professional plan)
- **Multi-Warehouse:** Manage multiple locations
- **Staff Accountability:** Activity logs showing who did what
- **Real-Time:** No more outdated records
- **Profit Tracking:** Know what makes money
- **Easy to Use:** No technical skills needed
- **Mobile-First:** Manage from your phone
- **Free Trial:** 30 days to test everything
- **Nigerian Made:** Built for Nigerian businesses

OBJECTION HANDLING GUIDE

Common Objections & Responses

Objection: "It's too expensive" **Response:** "I understand. But let me ask - how much money do you lose monthly to stock discrepancies, staff issues, or stockouts? Most businesses find that Sell Square actually saves them money. Plus, we have a free plan to start, and you can try the premium features free for 30 days." **Objection:** "I'm managing fine with my current system" **Response:** "That's great! Can I ask - do you know your exact profit margin on each product? Can you see in real-time what's in stock across all locations? Can you track exactly what each staff member sold today? Sell Square makes these things instant. Would you like to see?" **Objection:** "I'm not tech-savvy" **Response:** "Perfect! That's exactly who we built this for. If you can use WhatsApp, you can use Sell Square. We also provide free setup and training. Would you like me to show you how simple it is?" **Objection:** "Let me think about it" **Response:** "Absolutely! I understand it's a decision. Can I ask what specific concerns you

have? [Address concerns] How about this - let's set you up on the free trial today, no payment needed. Then you can think about it while actually using it. Does that work?" **Objection:** "I'll discuss with my partner/spouse" **Response:** "That makes perfect sense. Would it help if I showed both of you together? Or I can send you some information you can review together. When would be a good time to follow up?" **Objection:** "I don't have internet always" **Response:** "Good news! Sell Square works on any internet connection - WiFi or mobile data. It uses very little data. Plus, your data is saved in the cloud, so even if you lose your phone, everything is safe."

LEAD GENERATION TARGETS

Daily Targets (Per Intern)

Social Media:

- 30 meaningful comments on business posts
- 20 direct messages to potential leads
- 3-5 social media posts/shares
- 2-3 WhatsApp status updates
- Join and engage in 2 new business groups

Direct Outreach:

- 15-20 physical store visits (if assigned field work)
- 20-30 phone calls to leads
- 10 email follow-ups

Content Creation:

- 1 video testimonial/case study request
- 2 before/after story requests from users

Conversion Funnel Goals

Per Week Per Intern:

- 100-150 new prospects contacted
- 30-40 demo bookings
- 15-20 demos completed
- 8-12 free trial signups

- 3-5 paid subscriptions

Per Month Per Intern:

- 400-600 prospects contacted
- 120-160 demo bookings
- 60-80 demos completed
- 32-48 free trial signups
- 12-20 paid subscriptions

DAILY ACTIVITY TRACKING & METRICS

What to Track Daily

Every intern must record the following metrics at the end of each work day:

1. Outreach Activities

- Number of social media DMs sent
- Number of WhatsApp messages sent
- Number of phone calls made
- Number of physical visits completed
- Number of emails sent
- Number of social media posts/shares
- Number of groups joined and engaged

2. Engagement Metrics

- Number of responses received (any channel)
- Number of positive responses
- Number of interested prospects
- Number of demo requests

3. Conversion Metrics

- Number of demos scheduled
- Number of demos completed
- Number of free trials started
- Number of paid subscriptions secured
- Number of referrals received

4. Content Metrics

- Number of posts created
- Number of videos created/shared
- Number of testimonials collected
- Number of case studies documented

5. Follow-Up Activities

- Number of follow-up calls made
- Number of follow-up messages sent
- Number of pending follow-ups for tomorrow

6. Time Allocation

- Hours spent on social media
- Hours spent on field visits
- Hours spent on calls
- Hours spent on demos
- Hours spent on admin/reporting

WEEKLY PERFORMANCE METRICS

Weekly Review (Every Monday)

`Each intern will review the past week's performance based on:`

Quantitative Metrics:

- **Total Outreach:** Target 500+ touch points per week
- **Demo Conversion Rate:** (Demos Completed ÷ Demos Scheduled) × 100

  `- Target: 75%+`
- **Trial Conversion Rate:** (Trials Started ÷ Demos Completed) × 100

  `- Target: 40%+`
- **Sales Conversion Rate:** (Paid Subscriptions ÷ Trials Started) × 100

  `- Target: 25%+`
- **Response Rate:** (Responses ÷ Outreach) × 100

- **Target:** 30%+

Qualitative Metrics:

- Quality of leads generated (A, B, C rating)
- Feedback from prospects
- Objections encountered (to improve handling)
- Channel performance (which channels worked best)
- Content performance (which posts got most engagement)

Weekly Goals:

- Set specific targets for next week
- Identify underperforming areas
- Plan improvement strategies
- Share best practices with team

MONTHLY PERFORMANCE REVIEW

Monthly KPIs (Key Performance Indicators)

Primary Metrics:

- **Total Revenue Generated:** ₦_ (from paid subscriptions)
- **New Paid Customers:** ____ customers
- **Free Trials Activated:** ____ trials
- **Demos Completed:** ____ demos
- **Total Outreach:** ____ prospects contacted

Secondary Metrics:

- **Customer Acquisition Cost (CAC):**

  - Formula: (Monthly Marketing Costs + Intern Salary) ÷ New Customers - **Target:** Keep below ₦5,000 per customer
- **Average Deal Size:**

  - Formula: Total Revenue ÷ New Customers - **Track:** Monthly vs Yearly subscriptions
- **Pipeline Health:**

`- Active demos scheduled - Active trials (not yet converted) - Follow-ups pending - Hot leads in negotiation`

- **Channel ROI:**

  `- Which channels brought most conversions - Time spent vs results per channel - Best performing content types`

- **Skill Development:**

  `- Improvement in conversion rates - Reduction in objection rate - Improvement in demo-to-trial rate`

Monthly Recognition:

- **Top Performer:** Highest revenue generated
- **Best Converter:** Highest trial-to-paid conversion rate
- **Most Active:** Highest outreach numbers
- **Creative Star:** Best content created
- **Team Player:** Most helpful to other interns

DAILY WORK SCHEDULE TEMPLATE

Sample Workday (9 AM - 5 PM)

9:00 - 9:30 AM: Morning Briefing & Planning

- Review yesterday's results
- Check scheduled demos and calls
- Set today's targets
- Prioritize hot leads

9:30 - 11:00 AM: Outbound Outreach

- Social media engagement (30 DMs, 20 comments)
- WhatsApp messages to new prospects
- Email follow-ups

11:00 AM - 1:00 PM: Field Visits (if assigned) OR Calls

- Physical store visits (10-15 stores)
- OR Phone calls (15-20 calls)

1:00 - 2:00 PM: Lunch & Social Media Posting

- Post content across platforms

- Engage with comments and messages
- Light prospecting

2:00 - 4:00 PM: Demos & Presentations

- Conduct scheduled demos
- Follow up on trial users
- Close potential deals

4:00 - 4:45 PM: Follow-Up & Nurturing

- Call/message prospects from earlier in week
- Schedule demos for tomorrow
- Update CRM/tracking sheet

4:45 - 5:00 PM: Daily Reporting

- Fill out daily metrics sheet
- Update pipeline status
- Note important learnings
- Submit report to supervisor

TRAINING & RESOURCES

Week 1: Onboarding

- **Day 1-2:** Product deep dive (all features)
- **Day 3:** Sales technique training
- **Day 4:** Objection handling workshop
- **Day 5:** Practice demos & role-playing

Ongoing Training:

- **Weekly Team Meetings:** Share wins, losses, best practices
- **Bi-Weekly Product Updates:** Learn new features
- **Monthly Sales Workshop:** Advanced techniques
- **Quarterly Review:** Performance analysis & goal setting

Resources Available:

- Demo video library
- Sales script repository

- Case study collection
- Objection handling guide
- Feature comparison sheets
- Pricing breakdown
- FAQs document

SUCCESS METRICS & INCENTIVES

Performance Tiers

Tier 1: Rising Star (Entry Level)

- 8-11 paid subscriptions per month
- 70%+ demo completion rate
- 35%+ trial conversion rate
- **Incentive:** Base salary + 5% commission

Tier 2: Achiever (Mid Level)

- 12-16 paid subscriptions per month
- 75%+ demo completion rate
- 40%+ trial conversion rate
- **Incentive:** Base salary + 7.5% commission + Monthly bonus

Tier 3: Top Performer (Advanced)

- 17+ paid subscriptions per month
- 80%+ demo completion rate
- 45%+ trial conversion rate
- **Incentive:** Base salary + 10% commission + Monthly bonus + Quarterly bonus

Bonus Structure:

- **New Customer Bonus:** ₦500 per new paid subscription
- **Yearly Subscription Bonus:** Additional ₦1,000 for yearly subscriptions
- **Professional Plan Bonus:** Additional ₦1,500 for Professional plan signups
- **Monthly Target Bonus:** ₦10,000 for hitting monthly target
- **Referral Bonus:** ₦2,000 for every referral that converts

TARGET CUSTOMER PROFILES

Profile 1: "The Overwhelmed Shop Owner"

Demographics:

- Age: 30-50
- Business: General retail/wholesale
- Staff: 2-5 people
- Annual Revenue: ₦5M - ₦50M

Pain Points:

- Can't keep track of inventory
- Staff accountability issues
- Don't know real profits
- Stock always mismatches

Best Approach:

- Focus on peace of mind
- Emphasize staff monitoring
- Show profit tracking
- Quick ROI stories

Profile 2: "The Tech-Savvy Gadget Seller"

Demographics:

- Age: 25-40

- Business: Phone/electronics sales
- Staff: 1-3 people
- Annual Revenue: ₦10M - ₦100M

Pain Points:

- Need IMEI tracking
- Warranty management
- Avoiding duplicate sales
- Theft prevention

Best Approach:

- Lead with IMEI feature (Professional plan)
- Show tech sophistication
- Emphasize security
- Quick demos on mobile

Profile 3: "The Expanding Entrepreneur"

Demographics:

- Age: 35-55
- Business: Multiple locations
- Staff: 5-20 people
- Annual Revenue: ₦50M - ₦500M

Pain Points:

- Can't monitor all locations
- Inconsistent processes
- Lack of centralized data
- Difficulty scaling

Best Approach:

- Multi-warehouse feature
- Consolidated reporting
- Team management tools
- Scalability benefits

Profile 4: "The Fashion Retailer"

Demographics:

- Age: 25-45
- Business: Clothing/shoes/accessories
- Staff: 2-8 people
- Annual Revenue: ₦10M - ₦100M

Pain Points:

- Many product variants (sizes, colors)
- Seasonal stock challenges
- Hard to track what's selling
- Manual variant management nightmare

Best Approach:

- Product group features
- Variant management
- Best-seller reports
- Easy categorization

MARKETING CAMPAIGN IDEAS

Campaign 1: "Know Your Numbers Challenge"

Duration: 2 weeks **Challenge:** Ask business owners simple questions:

- How much profit did you make yesterday?
- What's your best-selling product this month?
- How much stock do you have right now?
- Which staff member made the most sales today?

Hook: "If you can't answer these in 10 seconds, you need Sell Square"

Campaign 2: "Free Audit Offer"

Offer: Free business inventory audit **Process:**

- Visit business

- Count a sample of inventory
- Compare with owner's records
- Show discrepancies
- Demonstrate Sell Square as solution

Campaign 3: "Success Story Series"

Content: Share transformation stories weekly **Format:**

- Before: Struggling with X
- After: Achieved Y with Sell Square
- Results: Specific numbers
- Testimonial: Video/quote from customer

Campaign 4: "Industry-Specific Weeks"

- Week 1: Gadget Seller Focus
- Week 2: Fashion Retail Focus
- Week 3: Pharmaceutical Focus
- Week 4: General Retail Focus

Tailor all messaging and outreach to that specific industry

Campaign 5: "Referral Explosion"

Offer: Give existing customers incentives to refer

- ₦5,000 credit for every referral that subscribes
- Free month upgrade for 3 referrals
- Dedicated showcasing of top referrers

SUPPORT & ESCALATION

When to Escalate:

- Customer wants custom features
- Pricing negotiations beyond standard
- Technical issues during demo

- Large enterprise interested (10+ users)
- Integration requests

Escalation Contacts:

- **Sales Manager:** [Contact]
- **Technical Support:** [Contact]
- **Customer Success:** [Contact]

Resources:

- Internal knowledge base
- Demo environment
- Sales enablement materials
- Customer testimonials
- Case studies

INTERN SUCCESS CHECKLIST

Daily Checklist:

- [ ] Sent minimum 30 outreach messages
- [ ] Made minimum 20 calls/visits
- [ ] Posted on social media (2-3 times)
- [ ] Followed up on pending leads
- [ ] Completed scheduled demos
- [ ] Updated tracking sheet
- [ ] Reviewed tomorrow's schedule

Weekly Checklist:

- [ ] Hit weekly outreach target (500+)
- [ ] Completed weekly report
- [ ] Generated 8+ trial signups
- [ ] Closed 3+ paid subscriptions

- [ ] Collected testimonial/case study
- [ ] Attended team meeting
- [ ] Reviewed performance metrics

Monthly Checklist:

- [ ] Hit monthly revenue target
- [ ] Submitted monthly report
- [ ] Achieved 12+ paid subscriptions
- [ ] Maintained 40%+ trial conversion
- [ ] Documented success stories
- [ ] Completed training module
- [ ] Set next month's goals

QUICK START GUIDE FOR NEW INTERNS

Week 1: Foundation

Days 1-2: Product Training

- Learn every feature
- Practice demos
- Understand pricing

Days 3-4: Sales Training

- Study scripts
- Role-play scenarios
- Shadow senior intern

Day 5: First Outreach

- Send 10 DMs
- Make 10 calls
- Get comfortable with rejection

Week 2: Building Momentum

- Increase daily outreach

- Complete first demo
- Focus on social media presence
- Join business groups

Week 3: Finding Your Rhythm

- Establish daily routine
- Refine your pitch
- Identify best channels
- Close first deals

Week 4: Optimization

- Analyze what's working
- Double down on successful channels
- Improve conversion rates
- Set ambitious targets

FINAL WORDS

Remember:

- **Be Helpful, Not Pushy:** Your goal is to solve problems, not just make sales
- **Know the Product:** You can't sell what you don't understand
- **Listen More Than You Talk:** Understand their pain before offering solution
- **Follow Up Consistently:** 80% of sales happen after the 5th contact
- **Celebrate Small Wins:** Every demo, trial, and sale matters
- **Learn from Rejections:** Each "no" teaches you something
- **Help Each Other:** Team success is individual success
- **Stay Consistent:** Results come from daily consistent action
- **Track Everything:** Data helps you improve
- **Believe in the Product:** Your enthusiasm is contagious

You're not just selling software - you're transforming businesses and changing lives. Every business you help becomes more organized, more profitable, and less stressful. Let's go make an impact!
